

CURDRIDGE PARISH COUNCIL

CURDRIDGE CEMETERY- 2010

Curdridge Cemetery has been designed as a place of quiet reflection and ease of maintenance. These simple guidelines have been prepared to assist this theme.

1. Only tablet headstones will be allowed in the cemetery area. Photographs may not be incorporated into the memorial.
2. The tablets headstones may not be larger than 3'6" x 2' and may incorporate a flower vase
3. Colours shall be natural stone and must not be polished or have a reflecting surface. (no synthetic materials will be allowed).
4. No kerb or planting around the grave area will be allowed.
5. The Funeral Director is responsible for the re-turfing of the surface of the grave immediately after burial in such a way as to allow for settlement, and to remove all unwanted spoil from the burial ground.
6. Cremated remains must always be interred in a purchased grave, which may be either one of the small special plots reserved for this purpose, or a family grave in which exclusive rights of burial have already been granted for a previous interment. It is not possible to scatter ashes in the cemetery.
7. A small vase or urn per grave will be allowed instead of a headstone. These may only be placed at the head of the grave where the headstone would normally be sited. The name of the deceased must be engraved on the vase or urn.
8. No statues or crosses may be erected in the cemetery.
9. The Parish Council retain the right at all times to remove plastic and silk flowers from graves and to dispose of wreaths, sprays etc. once these have died.
10. Dogs should not be taken into the cemetery.
11. No wind chimes
12. The Parish Council cannot undertake the tending of individual graves, and is responsible only for the general upkeep and good order of the burial ground as a whole.
14. Application for interment must be made to the Clerk of the Council on the Council's form, a supply of which can be obtained from the Clerk.
15. All memorials must be kept neat, clean and in good repair at the owner's expense, in default of which they shall be forfeited to the Council which will then be entitled to remove or repair them as the Council shall deem fit.
